Message from Judith Gorse - Youth Theatre Co-ordinator

'The Secret Garden' has been a favourite of mine since I was a little girl and when Stephen suggested the musical version for our September production I was delighted. With his talent and flair and with Paul as Musical Director we are assured of a professional and heart-warming production. As always our young cast have risen to the challenges put before them with their usual enthusiasm and dedication. My thanks, too, to Sue for her support and loyalty. Arnold and all his hardworking crew have produced a phenomenal set to match the amazing standard of this production. So sit back, relax and enjoy the very best that the youth of today has to offer.

Message from Stephen Hughes-Alty - Director

'Dephaned in India, a young girl returns to Yorkshire to live with an embittered uncle and his invalid son. The estate includes a large park with a magical locked garden. Flashbacks, dream sequences and an ensemble of ghostly apparitions from the girl's past make this a musical with a difference and we hope you enjoy it. I would like to thank everyone involved in the production, to do so by name would take more than an extra page, but you know who you are. Special thanks to Judith, Sue, Nick and Mandy and, of course, Paul. Thank you also to a most dedicated and talented cast. Finally thanks to you, our audience for joining us on our journey to 'The Secret Garden'.
