

Notes from the Director - Stephen Hughes-Alty

Welcome on board Mrs Kay's trip to Wales - it has been such an rewarding journey. Our young people, many of whom are new faces, have once again displayed talent, enthusiasm and dedication and for that I thank them.

Thank you too to the many, many members working tirelessly for the club who make our productions possible. From Front of House to backstage and everyone in between, I salute you.

Finally, thank you, our audience for joining us on what will hopefully be, an enjoyable and interesting 'day out'!
