Producer's Comments

What better diversion, in chilly mid-winter, than to be transported, if only for the evening, to the scented sunshine of Andalusia ?

You will probably say that Spanish village life is not so different from our own after all. Here we have not one "Matchmaker," but a veritable nest of them !

We hope you will enjoy the efforts of our young hero to escape from their carefully laid schemes—and perhaps some male members of our audience may find the situation all too familiar !

MARY CROLL.
