## Note from James Hughes Alty, Director

It was with great pleasure that I accepted the challenge of directing this production. Hardly a challenge at all when you consider the talent and dedication of this young cast, the quality of the text and the invaluable support I have been given by the many people who have helped to make Brad Stoker's original gothic nightmare a theatrical reality. **Dracula** is one of my favourite stories and I hope you feel we have done justice to this delicious tale of terror. Thank you for taking your time to visit us in Transylvania. Sharpen your stakes, and get out your garlic, the sun is about to set...

## Note from Judith Gorse, Youth Group Co-Ordinator

As a Youth Theatre we are indeed very lucky! We have our own theatre in which to rehearse and perform and the talent and expertise of a great many of our 'older' members. Our thanks, therefore, to everyone included in this production, for having the courage to work with Count Dracula and his 'friends' - we couldn't have done it without you!

**We are pleased to announce that our next production will be**
